**THIS SUMMER AT STEUBENVILLE ST. PAUL WE  
WILL BE COLLECTING SUPPLIES FOR KIDS!**

**MEET OUR PARTNER**

Children's Minnesota is a nonprofit health system, and one of the largest pediatric systems in the country, with two hospitals, nine primary care clinics, seven rehabilitation and nine specialty care sites. Your gift means that a child — and their family — will always receive an exceptional level of care, support and resources, all thanks to your generosity.

By donating these materials to Children's Minnesota, you are giving patients the opportunity to play and have fun while they are in the hospital.
