Ticket Transfers:

Partnership for Youth does not allow tickets to be bought for and/or sold to, transferred to or shared across groups.

Individual Registrations:

In order to accommodate special needs and site-specific housing requests, all individual participants must be registered with your group online **no later than one month prior to the conference start date**.

Any tickets purchased by your group but not designated to an individual by this time will be dropped from your registration. No refunds or transfers will be issued. Partnership for Youth reserves the right to reinstate tickets on a case-by-case basis. All reinstated tickets will have a processing fee applied of $25. Contact the Partnership for Youth office for more information.

Changes to Individual Registrations:

It is the desire of Partnership for Youth to be as accommodating as possible; however, many factors impact our ability to allow for certain last-minute changes. In order to accommodate special needs and site-specific housing requests, any changes to individual registrations, including swapping out participants, are highly discouraged after the individual registration deadline date, one month out from the conference.

Changes will be considered on a case-by-case basis. Please contact the Partnership for Youth office for more information.
